The Silver Study Society By-laws state that personal information is for membership use only. Sharing this information with non-members or for commercial use is strictly forbidden.

Membership dues fund our primary objective of providing educational programming and we are grateful for your support through your membership in the Silver Study Society.

By virtue of the additional generosity of many of our members, we have been able to elevate programming, bringing in presenters from all over the country and even some international speakers. In addition to the travel costs and honorariums paid, we have technology and facility expenses associated with those speakers, and we are building a website that will benefit our membership in many ways.

Please consider a contribution in support of these endeavors. Donations of any amount are most welcome.

Britannia Donor	$500.00
